Which Group?

Beginners: Kids who have *never sailed before, or young ones who have done a little but are not confident*. They will be introduced to the marine environment safely and learn how to stay safe on, in and around the water. Kids will have heaps of fun learning the basic skills for sailing an Optimist.

Improvers: This group is aimed at *kids who have some sailing experience, but have not yet achieved the YNZ Level 1 Certificate*. This will range from kids who have done little but are confident, to kids who have done more, but are less confident. The group will focus on having fun & increasing confidence, whilst working towards Level 1.

Intermediates: *Kids who have achieved the YNZ Level 1 Certificate*. They will normally have done one or two summer weeks previously or have been sailing regularly. It can take longer to achieve Level 2 and move up to the Green Fleet.

Windsurfing: If you think this might be worth a try, then **book direct with Nelson Watersports** for a week of windsurfing! The group is run in conjunction with the rest of the summer programme. Call 02102503767
